Mental Health Services Act CSS Budget Narrative

County(ies): San Diego

Fiscal Year: 2006-07

Page: 3 of 6

Program Workplan #: A-1

Date: 02/28/06

Program Workplan Name: Homeless Integrated Services and Supported Housing

Type of Funding: 1. Full Service Partnership

New Program/Service or Expansion: New

<u>Line #</u>	<u>Amount</u>	<u>Description / Justification</u>
A.5	\$3,888,000	Estimated Total Expenditures (when service provider is not known) were derived by calculating the average cost per client for similar services among existing providers from FY 2005-06 budgets times the number of clients expected to be served in the fiscal year. Staffing for this program is based upon optimum staff to client ratios with approximately 60-70% of the total costs allocated for staff salaries and benefits. This budget is for 12 months from July 1, 2006 - June 30, 2007.
B.2.a	\$520,000	If applicable, new revenues were estimated for Medi-Cal (FFP only) given the estimated number of clients and services expected to be Medi-Cal eligible. Programs without Medi-Cal revenue are targeting the unserved non-Medi-Cal eligible population and/or are providing non-billable Medi-Cal services.
C	\$3,083,615	One-Time CSS Funding Expenditures are the sum of the following: One-time CSS funding for start-up and implementation expenditures for this program are equivalent to 6 weeks of service operations. Our County has used this method before with new programs and based on our past experience the equivalent of 6 weeks of funding seems to be a sufficient amount for Contractors to purchase most of the equipment and supplies needed for a new program. The majority of start-up funds are budgeted to purchase equipment such as computer hardware, software, cell phones, copier, fax, furniture and other office equipment and transportation for clients (if needed). Additionally, these funds may be used to secure or expand office space. Implementation funds are also needed for program staff to recruit, hire, and train personnel and will be used to develop initial program outreach strategies to get this program up and running. These start-up costs will be expended in the first quarter of FY 06-07 between July 1, 2006 - September 30, 2006. One-time CSS funding for training includes estimated Assertive Community Treatment (ACT) Technical Assistance (\$47,000), Copeland's Wellness Recovery Action Plan (WRAP) (\$2,500), Deegan's Intentional Care Guidelines (\$3,000) and Psychosocial Rehabilitation (PSR) (\$2,500). The ACT technical assistance amounts are based on the low end of the National Alliance for Mental Ill (NAMI) recommendations for such, recognizing that our County already uses aspects of the ACT model. Therefore, we estimated a total of \$117,500 for all 5 of the MHSA FSP ACT teams (A-1/(Team(T) 1), A-1/(T2), A-2 (T3), TAY-1 (T4), and OA-1 (T5)) which is \$23,500 per team for ACT consultation, technical assistance and related training and materials. For WRAP, the estimate of \$2,500 is to purchase materials and hire a WRAP-certified consultant to assist with training. The Deegan's Intentional Care estimate of \$3,000 will purchase proprietary training materials. The PSR estimate of \$2,500 is to purchase materials and provide some training. These training costs will be expended in the first half of FY 06-07. from July 1. 2006-December 31. 2006. One-time CSS funding for continuum of housing options will begin to be expended in the first quarter of FY 06-07 and continue until the funds are depleted. Our estimate of \$2,640,000 is based on 200 housing units at an annual cost of \$13,200. This figure is from our research of the housing market for San Diego which has single residency occupancy rates ranging from \$878-\$1,137/month. Given that this info was from a 2001 survey and housing costs continue to rise in San Diego County, we based our estimates on \$1,100 per month. This program is currently soliciting requests for proposals from potential providers to begin in FY 2006/07 with requests to develop an array of options ranging from short term temporary housing, transitional supported housing and permanent supported housing to ensure client success. These OT housing funds are expected to be replaced with MHSA Capital Improvement funds in future years as a long term strategy to secure permanent housing options for clients.
	\$388,615	
	\$55,000	
	\$2,640,000	
D	\$6,451,615	Total Funding Requirements equals the total proposed program budget less total revenues plus one-time CSS funding expenditures.
